

# Dominican Republic Caliente Caribe

**Clothing Optional Luxury at the heart of the Caribbean**  
Caliente Caribe is as laid-back or high-energy as you wish, and offers beautiful appointments featuring ocean views and direct access to its own private nude beach. Because the entire resort is clothing optional, you can feel as free as you want, anywhere, any time.

Located near Puerto Plata, Dominican Republic, Caliente Caribe is an oasis of luxury in an unspoiled environment, where Coconut palms sway by day and Club Caribe rocks by night—giving you a holiday getaway you'll not soon forget.

In a place where tropical forests and streams spill over mountainsides and into an aquamarine sea, Caliente Caribe sets a clothing optional standard no other Caribbean vacation resort can match. Caliente Caribe is hugged by a wide expanse of sapphire Caribbean water. Located in one of the Caribbean's most applauded vacation spots, arriving at Caliente Caribe is like stepping into a postcard. And because it's all-inclusive, one price leads to one unbelievable vacation.
