while relaxing around the pool areas and at your choice in the rest of the hotel. You must be dressed in the restaurant areas. And after 20.00 hours anywhere in the public areas clothes must be worn.

The club has two tennis courts, table tennis, windsurfing, volleyball, bicycles, boccia, darts, open-air chess and children's playground. Hotel Vera Playa Club offers half or full board. There are several apartments available on self-catering basis. The hotel is open from April until October.

Bahia Vera

Bahia Vera is a new development of high quality apartments in lawned grounds with two swimming pools and only 150 metres from the Vera beach

There are some very luxurious apartments with air conditioning on the resort that command higher prices than the usual apartments and we can quote for these if you are wanting a very high standard of accommodation.

Most apartments are privately owned and vary greatly in design and facilities. Some properties have central heating for the winter months.

Facilities. Tennis and volley ball courts. Two swimming pools one indoors with Jacuzzis. Gymnasium. Mini markets. Restaurant/bar. Nightclub/disco 2 minutes walk.

Vera Natura

The complex consists of 25 low rise apartment blocks each having 8 units. The rooms are very spacious and well laid out. The larger split level ones have up-to four sun terraces. Most of the apartments have basic cooking facilities with a two ring hob but micro wave ovens can be supplied. Some of the apartments have washing machines and can be heated in the winter. The area is very private and secure having chain link wrought iron fencing. The complex fronts the naturist beach and benefits from two swimming pools, one indoor and heated along with a gym area featuring a Jacuzzi, steam room, salt bath and massage facilities all available at an extra charge. There are two restaurants on site while shops are only a few minutes away.
